For her friendliness to everyone, her dedication to and her understanding of the special problems of seniors, we extend our sincere appreciation and dedicate this part of the 1966-67 Ramscott to Mrs. Mildred Hull. Thank you, Mrs. Hull for helping to make our last year at McEvoy our very best. We hope that in some small way we have helped make your first year one of the most memorable.

If I've told you once, I've told you a *thousand* times!

First impressions

A Woman of Distinction

Dear Students:

Thanks to each of you for making my first year at McEvoy Senior High School enjoyable as well as challenging.

Seniors, your school experience here is now history, and as you often reflect upon these experiences it is hoped that you will use not only the academic knowledge you have gained, but that you will also make the qualities of honesty, courage, perseverance and friendship an integral part of your life as you enter into new and more broadening paths of endeavor. Your education is really just beginning. It is, in fact, a process which will continue throughout your life. Choose wisely in the decisions you make, for each will help fashion your most priceless possession — your character.

Mrs. Mildred W. Hull
Principal

A Man With A Purpose

Dear Students:

School represents many things. It represents parties, club activities, athletic events, and many friendships. It also represents mastery of academic material, new horizons of thought, and development of cooperation with others of your group. But, most of all, it represents opportunity.

Education is a process which continues throughout life. School only furnishes the foundation; the better the foundation, the better life you will have ahead.

Educational opportunity is yours. Grasping this opportunity is your responsibility. The choice is entirely on your shoulders whether you waste it, disregard it, or use it to your advantage.

McEvoy Drum Majors

Toni Newby, Faye Balkcom

Whether parading gracefully through a mud-soaked field or playing rhythmically in the gyms of our schools, the "Pride of Dixie" and "McEvoy Scottie" bands drum up spirit in both student bodies. Football season revolves around the bands almost as much as around the football team! Pep rallies come to life as the band rocks along, only a prelude to the nights half time show entertainment.

At the helm of the "Pride of Dixie's" new year is their new director, Mr. David Graves. While under the dedicated leadership of Miss Barbara Reeves, the "McEvoy Scottie" band continues on.
